## General Information

### Peterson's Applying to Colleges and Universities in the United States

#### 18<sup>th</sup> Edition

Looking for contact details for undergraduate colleges and universities in the US? Want to know which colleges offer your major? Need to know the admissions requirements for many of the undergraduate institutions in the US? If you need this sort of information, then this book is for you! It has state-by-state profiles of accredited two and four-year colleges and detailed descriptions of academics, campus life, and special programmes for international students.

*Cat. # PETCOLL | Free (postage and handling charges apply)*

*If you wish to receive this guide, please download and complete the Student Survey and forward with your order form – <http://den-oweb.petersons.com/html/acuus.pdf>*

### Peterson's Applying to Graduate School in the United States

#### 4<sup>th</sup> Edition

Getting into graduate school is hard enough, but for students living outside the US the application process alone can be overwhelming. Designed to eliminate confusion, this easy-to-use guide gives international students all of the information they need to navigate the graduate school search and application process.

*Cat. # PETGRAD | Free (postage and handling charges apply)*

## Standardised Tests

### ACT

#### **Preparing For The ACT 2009-10**

The ACT test is a standardised testing programme widely recognised for undergraduate college admissions in the US. Most colleges and universities in the United States require ACT (or SAT) test scores as part of their undergraduate application process. This booklet contains test strategies, full-length practise tests, information about the optional writing test and an explanation about what to expect on test day.

*Cat. # ACTREG | Free*

### SAT

#### **SAT Paper Registration Guide 2009-10**

The SAT test is a standardised testing programme widely recognised for undergraduate college admissions in the US. Most colleges and universities in the United States require SAT (or ACT) test scores as part of their undergraduate application process. Some programmes require applicants to sit one or more SAT Subject Tests in addition to the general SAT Reasoning Test. This booklet contains a registration form and instructions, as well as all the information you need to know about the test itself.

*Cat. # SATREG | Free*

#### **SAT Practice Test 2009-10**

Get ready for the SAT by taking an official practice test—you'll reinforce your test-taking skills, become familiar with the test format, and learn where to focus additional study.

*Cat. # SATPRAC | Free*

#### **SAT Practice Booklet 2009-10**

This booklet will answer your questions about and help you practise for SAT Subject Tests. The booklet contains overviews of each Subject Test, sample questions and test-taking approaches.

*Cat. # SATSUBJPAC | Free*

#### **The Official Study Guide for all SAT Subject Tests**

This study guide, published by the makers of the SAT test, will help you prepare for the SAT Subject Tests. It contains explanations of the types of questions in each test, test-taking strategies, practise questions, practise CDs for Language With Listening tests and 20 full-length previous tests in 16 subjects.

*Cat. # SATSUBJGUIDE | \$40.00*

## GRE

### **GRE Information and Registration Bulletin 2009-10**

The GRE test is a standardised testing programme widely recognised for (post)graduate college admissions in the US. Most colleges and universities in the United States require GRE test scores as part of their graduate application process. Some programmes require applicants to sit one or more GRE Subject Tests in addition to the GRE General Test. This bulletin contains a registration form and instructions, as well as all the information you need to know about the test itself.

*Cat. # GREREG | Free*

## TOEFL

### **TOEFL Information and Registration Bulletin for Internet-based Testing (iBT) 2009-10**

The TOEFL test measures the ability of non-native speakers of English to use and understand English as it is spoken, written, and heard in college and university settings. Many colleges and universities in the United States require or recommend TOEFL test scores as part of their application process for international students whose native language is not English. This bulletin contains a registration form and instructions, and all the information you need to know about the test itself.
